SPECTACULAR

9:15-10:30pm

Come to the Rec Room for a night of BINGO with Christine and Jen. You won't want to miss this opportunity for fun, excitement, and prizes. The 1990 SSC Players, fresh off the success of 1989's "The Real Inspector Hound," are in production on our second annual theatrical extravaganza, Woody Allen's: "God--A Play." Join us in the Rec Room as we attempt our first full run-through. Though it's missing some props, sets, scenery and a cast member or two, we think you'll enjoy this unique comedy! Due to mature subject matter, we ask Adults Only please.

Feel tired from the overnight but don't want to crash just yet?

Meet at the Fountain deck at 9:00 and we'll see a movie, eat popcorn, and Molly will perform circus tricks.
