Our hardworking staph begins cabin cleaning at 10:00 am , so please help them by checking out by then. Thank you!! We miss you already!

Questions? We Got Answers.

"What do I do about my Airport Shuttle?" If you signed up for depature shuttle service, check the message board for your darling driver's name and confirmation.

"Is there anything we can do to help the Staph with the cleaning process?" It would be great if you stripped your beds of all linens (not blankets, bedspreads, or bedpads), and bundled them up in one sheet. Also, emptying all of the trash into the nearest garbage is a **HUGE** help. Please leave furniture in the arrangement in which you found it. Search **HIGH** and **LOW** and inside **DRAWERS** for your personal belongings!

"I had such a great time at Camp this year! When can I reserve a spot for next summer?"

We hope you return to Camp in 2004. Except for fill-in and non-alumni families attending Camp for the first time, all millenium campers will receive an early registration letter.* Keep your eye on your mailbox and let our reservations department know if you have not received anything by the end of November. Applications returned after the response deadline will be subject to a late fee and accommodations will only be assigned as available. Please note that requests for week and cabin changes are prioritized by our date of receipt of your registration form.

* In order to receive 2003 participation credit, **fill-in families must reapply through the lottery**. Applications are mailed out in November. To be included in the 2004 lottery, all applications must be received by the stated deadline.

Giving Something Back

"I really appreciate all of the hard work everyone on the Staph put in to make this a fun and relaxing vacation. How can I express my gratitude to all of them?" Thanks for appreciating us! A gratuity has been a long-standing way to express this sentiment. 8-12% of the cabin rate is a good guide. At the time of checkout, gratuities (cash or checks made out to Cash) may be placed in the *Tip* basket at the Office. *Tips* are split equally among the Staph.

Fun Stuff

Tongue Twisters!

Several silly students sockhop at Stanford Sierra Camp whilst wending wayward wanderers walk among the wilding woods, worn and weary. Wherefore? Ne'er ask that, nevermore.

Soon, some smiling snoopers stole slowly towards some snickering Suaves sunning sleepily on the boatdock while the many meandering Menehunes mostly mocking the Midorees and mildly mischievous Munchkins yelled "YO YO, yonder yawning Yahoos!"
